A PROJECT SUGGESTION

Our community has a most active garden club. It is an asset to Appomattox, and the ladies have so many commendable projects in mind that we hesitate to suggest another. Yet, we make bold to do just that, suggest an idea for the local garden club.

We would like to see the garden club undertake a project to plant Crepe Myrtle shrubs fifty feet apart on each side of the highway between the old and the new Appomattox court houses. We realize we are suggesting a tremendous and an expensive project. Yet it is one that would stand for years to come as a beautiful tribute to the foresight and artistic efforts of our people.

Perennial of the highway department for use of right of way would have to be secured, and then "per shrub" cost estimated, and donations secured on that basis. Well, how about it?

NOW EVIDENT

As the time for the two political conventions nears, it becomes more and more likely that President Roosevelt will face Governor Alfred Landon at the polls in November, and it also becomes more and more likely that Roosevelt will be the winner.

For several weeks there has been a big swing to the Roosevelt bandwagon. Six months ago it seemed that the Republicans might have a chance. But now our guess is that they will do well to pick up a few seats in Congress.

Colored DOTS

The local N. F. A. chapter and the H. Y. organization will present a joint religious service at the Mt. Airy church Sunday evening at 7 o'clock, April 19. The program will be composed of selections given by the best talent of both groups. Rev. P. W. Price will be the guest speaker. The public is invited to attend.

The annual church meeting will be held at the training school this

Lady Took Card!

When Weak, Nervous

"I can't say enough for Cardui. I failed all day," continues writes Mrs. T. H. Caldwell, of Stateville, N. C. "I have used Cardui for intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around."

"Thousands of women testify Cardui works. It does not benefit 7000 counts a physician."
